

Library

The Progressive education society's Modern College of Pharmacy (for ladies) has well maintained library. It provides a comprehensive and well-equipped learning environment for students, researchers, and faculty including reading hall, stacking zone, silent area, e-library, and audiovisual facility. The library boasts a vast collection of books, both national and international journals, along with electronic journals from DELNET, N-DIGITAL, and INVENTI.

Unique accession number is given to each book to maintain a control on library book stock. The newest journals are showcased in the journal section, while older bound volumes are archived for reference. The College boasts a cutting-edge e-library equipped with 10 multimedia PCs offering internet and Wi-Fi access. This digital library trove provides a wealth of resources, including e-books, CDs, video lecture links, and access to e-journals through DELNET and Noble Infotec.

The library has integrated library management system from Biyani Technologies for seamless inventory control and for book issue return. Unique accession number is provided for each book for easy tracking. Additionally, the library utilizes OPAC (Online Public Access Catalog) software, allowing patrons to conduct swift and efficient searches for the resources they need.

Library also provides e-resources facility through VM edulife software. Vm edulife provides an e resource which includes soft copies of books, videos, power point presentations of different subjects for student usage. Requisition for books and journals from faculty are also carried out using VM edulife software.

The college library holds memberships with institutions like Jaykar Library (SPPU), National Chemical Laboratory (NCL) Library, and National Digital Library (NDL). Additionally, the library offers services such as reprographic facilities for copying important pages from reference books. The orientation session to guide students in utilizing the library resources effectively is also conducted during induction program.

Various additional facilities are available to motivate academic excellence, including Book Bank facility, Add-on Book Facility, Departmental Library, Hostel Library, and services catering to physically disabled individuals. Special collections encompass a range of resources such as flashcards, summary cards, dissertations (PhD and M.Pharm), student projects/field visit reports, as well as newspapers and magazines, enriching the academic experience for all library users.

The library offers a variety of resources to support students:

- ❖ Add on book facility provided for the students for various subjects including Biotechnology, Biochemistry, Pathophysiology, Industrial Pharmacy.
- ❖ Specific departments have their own dedicated libraries with resources readily accessible during practical hours. This allows students to find materials relevant to their coursework in a convenient location.
- ❖ Textbooks are provided to the hostel rector for student use within the hostel. This ensures that students living on campus have access to essential course materials.
- ❖ Physically challenged students can borrow books on a per-subject basis and return them after completing the syllabus. This flexible borrowing system accommodates their individual needs.
- ❖ The library also has a wide range of collections to support student learning, including books for competitive exams, regional languages, humanities, and past university question papers. This ensures that students have access to a variety of resources to help them succeed in their studies.
