SUMMARY REPORT ON GUEST LECTURE

Topic of Guest Lecture: "Cyber Security Awareness"

Resource Person: Ms. Harshada Gawade & Ms. Vaishanvi Arote

Conducted on: 08/10/2022

Modern College of Pharmacy (for ladies), Moshi, Pune, has arranged a guest lecture on topic "Cyber Security Awareness" by the resource person Ms. Harshada Gawade & Ms. Vaishanvi Arote. Introduction of the Program and resource person was given by Ms. Gitanjali Mehetre madam. Speaker was welcomed by our Respected Principal Dr. Prof. Shashikant N. Dhole sir with bouquet.

Ms. Vaishanvi Arote told that aim of lecture to analyse the awareness of cyber awareness in college students by focusing various security threats in the internet. In recent years cybercrime is an enormous challenge in all areas including national security, public safety and personal privacy. Cyber security is the most concerned matter as cyber threats and attacks are overgrowing. Attackers are now using more sophisticated techniques to target the systems. Individuals, small-scale businesses or large organization, are all being impacted. "Cyber security is primarily about people, processes, and technologies working together to encompass the full range of threat reduction, vulnerability reduction, deterrence, international engagement, incident response, resiliency, and recovery policies and activities, including computer network operations, information assurance, law enforcement, etc."

To prevent from a victim of cybercrime everyone must know about their own security and safety measures to protect by themselves. It was a great experience to be a part of such an informative and helpful session and more sessions of such kind would definitely change the view about cyber security awareness. Overall, the guest lecture was nice and was helpful for improving knowledge. The lecture ended with a vote of thanks given by Ms. Gitanjali Mehetre madam.
