

## Criteria 7: Institutional Values and Best Practices

**7.1.3: Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives are confirmed through the following**

- 1. Green audit /Environments audit**
- 2. Energy audit**
- 3. Clean and green campus initiatives**
- 4. Beyond the campus environmental promotion and sustainability activities**

### Findings of DVV

Kindly share document includes the

- 1. Institution's environmental and energy usage policy**
- 2. Action taken reports and achievements related to green campus initiatives**
- 3. Audit reports**
- 4. A certificate from an external accredited auditing agency (preferably a government department of the affiliating university)**
- 5. Geo-tagged photos with captions and dates, and any other supporting documents related to environmental initiatives beyond the campus.**

### Clarification on DVV

Kindly find document that includes the

- 1. Institution's environmental and energy usage policy**
- 2. Action taken reports and achievements related to green campus initiatives**
- 3. Audit reports**
- 4. A certificate from an external accredited auditing agency (preferably a government department of the affiliating university)**
- 5. Geo-tagged photos with captions and dates, and any other supporting documents related to environmental initiatives beyond the campus.**

**Clarification to query no. 1, 4, 5 is provided in this document.**

**Clarification for query no. 2, 3 is uploaded on Institutional website and links are provided Below in the Table.**

## Criteria 7: Institutional Values and Best Practices

### Environment Conservation Cell Policies

**PES MODERN COLLEGE OF PHARMACY (FOR LADIES), MOSHI**

#### ENVIRONMENT CONSERVATION CELL POLICIES

##### Objectives-

- To create an environmental friendly, sustainable campus and to spread the notion of Environmental friendly culture among the students, surrounding community, and wherever practicable.
- The College is attempting to develop the Institution in a self-sustaining manner in the areas of electricity, water, sanitation and green campus.
- To teach students about the importance of the environment and related issues.
- To preserve natural systems and resources.

##### 1. Save trees:

###### Reduce use of Papers

- "Save the trees by less use of papers" is the practice inculcated among the faculty and students.
- The College has purchased Vmedulife software to keep all academic and administrative data in digital form with the less use of paper.
- Various notes and exam-related and study material are uploaded and assessed using various digital platforms like Vmedulife, YouTube and Google Classroom.

###### Reuse Papers

- The College promotes the awareness to save the papers by effectively using both sides of pages.

###### Recycle papers

Used papers are either used for composting or scrapped for recycling.

##### 2. Restricted entry of Automobiles:

- All vehicles of the College staff/ faculty members are mandated to carry a valid PUC certification before entering the vehicle in the College campus.
- To reduce emissions, the College encourages staff and students to use public transportation and bicycles.

##### 3. Use of Bicycle/ Battery powered vehicles:

- Restricted entry of automobiles and its use inside the campus.
- The use of bicycles or battery powered vehicles in the campus.

##### 4. Pedestrian-friendly pathways:

### Environment Conservation Cell Policies

## Criteria 7: Institutional Values and Best Practices

- The Institution has built Pedestrian Friendly Pathways for the safe and easy movement of Staff and Students in the campus.
- All buildings on campus are accessible through roadways with pavements and paths.
- The maintenance staffs clean and maintain them regularly.

#### 5. Ban on use of Plastic:

- The College is dedicated to achieve plastic-free campus.
- It is ensured that the 3R policy is followed, i.e. trash reduction, recycling, and reuse.
- In the College campus, there is a ban on single-use plastics.

#### 6. Landscaping with trees and plants:

- For clear air, more medicinal plants and trees should be planted in the campus.
- Students, staff and faculty should actively organize and participate in tree-planting campaign on the campus.
  - Tree plantation should be performed as a part of celebration of National festivals.
  - Various cells active in this area should be welcome in the campus.

#### 7. Energy conservation:

The practice of using less energy, use of alternative energy resources, judicious use of energy and reducing the wastage of energy should be inculcated among stakeholders.

#### 8. E-Waste Management:

The electronic waste components such as computer system components, CPU and ICs should be repaired for minor defects and if not repaired should be handed to various E-waste collection drives and agency in PCMC.

#### 9. Solid Waste Management:

Solid waste should be systematically collected and segregated using different colored dustbins i.e. Blue (harmful articles like glass, pointed items), red (solids), green (wet) and Yellow (biomedical waste).

All degradable waste is used for composting. The compost so produced is used for gardening.

#### 10. Liquid Waste Management:

Liquid waste released from the College including labs and canteen and other facilities should be processed by an effluent treatment plant and recycled for gardening.

#### 11. Biodegradable waste Management:

Biomedical waste from the animal house should be collected in biodegradable waste assigned in polythene bags and should be placed in yellow-colored dustbins. The College has signed a MoU with PASSCO Environmental Solution Pvt.Ltd.

### 12. Water Conservation:

- To ensure the improvement of quality of drinking water, water purifiers are installed at various places in the campus. The outlets of those units are sent to recharge ground.
- To store water in the overhead tanks for uniform distribution of water in the campus.
- To repair the leakages immediately and performs periodic maintenance required to prevent water loss.
- To maximize water use efficiency and minimize wastage of water.
- To use rainwater harvesting system for effectively recharging the ground water.
- To ensure awareness about the "water conservation policy" of the College among all the students, staff and faculty.
- To create awareness about the cost effectiveness of water conservation projects among students and local communities.
- Use of signage board for awareness of water conservation.
- Use of ETP recycled water wherever possible.
- Use of Sensor based technology to avoid overflow of tanks.

13. To ensure the outcomes of all implemented policies, the College conducts a Green, Energy and Environment Audit every year.

## Environment Conservation Cell Policies

## Criteria 7: Institutional Values and Best Practices

### Energy Conservation Policies

#### PES MODERN COLLEGE OF PHARMACY (FOR LADIES), MOSHI

##### ENERGY CONSERVATION POLICIES

Energy conservation is the practice of using less energy or use of alternative energy resources. Energy Conservation Cell of our College aims to create awareness about the wise and judicious use of energy and reducing the wastage of energy for a better future.

Following initiatives are implemented by the College:

- Design of the architecture with natural illumination and ventilation so as to avoid excess use of energy.
- Use of LED Bulbs.
- Use of Solar Energy (Solar Distillation unit, Solar lamps, Solar Water Heater, Solar Unit and Wheeling on the Grid)
- Turning off the lights, Fans and electrical appliances while leaving the classrooms and laboratories.
- Unplugging appliances when they're not in use.
- Walking instead of driving.
- Use of energy efficient instruments (Star rated).

### CERTIFICATE

This is to certify that we have conducted Green Audit at Progressive Education Society PES Modern College of Pharmacy (For Ladies), Moshi, Pune, in the Academic year 2021-22.

The College has adopted following Green & Sustainable Initiatives:

- Usage of Energy Efficient LED Light Fitting
- Usage of BEE STAR Rated Energy Efficient Equipment
- Maximum Usage of Day Lighting
- Installation of Roof Top Solar PV Plant of Capacity 10 kWp
- Segregation of Waste at Source
- Provision of Sanitary Waste Incinerator for Sanitary Waste Disposal
- Implementation of Rain Water Management Project
- Maintenance of Good Internal Road
- Tree Plantation in the campus
- Provision of Ramp for Divyangajan
- Creation of Awareness on Energy Conservation, by Display of Posters

We appreciate the support of Management, involvement of faculty members and students in the process of Energy Conservation & making the campus Green.

### Environmental Awareness through a drawing competition

NSS volunteers of Mcpl conducted a drawing competition on 21/01/2023, for primary school students of age group 8-10 on the topic of "My Clean and Pollution-free Village"; volunteers also made them aware of environmental protection. How they can keep their environment neat, clean, pollution-free, and plastic-free. What are the benefits of environmental protection at the right time? How it will save the earth. Students expressed their feelings effectively through this activity.

### "PLOGETHON" ACTIVITY REPORT

NSS unit (B69) of PES MODERN COLLEGE OF PHARMACY (for ladies) has participated in the "Plogathon" by PCMC Municipal Corporation, which is a walk that collects garbage and contributes to the cleanliness of the city, on the 21st of November 2021. Students completed a cleanliness activity in the Moshi area. Activity has been conducted in Moshi (Bharat Mata Chowk), by following all the rules and regulations given by the government of Maharashtra for the COVID-19 pandemic. 7 NSS volunteers of PES MODERN COLLEGE OF PHARMACY (for ladies) have participated in the cleaning activity. During the activity, participants cleaned all the surroundings of Moshi (Bharat Mata Chowk). Principal Dr. S.N.Dhole sir and all the teaching faculty encouraged students for such plogethons.

### Tree Plantation

NSS volunteers organized a tree plantation activity at the NSS special campsite in Markal village on January 3, 2019, in collaboration with the Markal Gram Panchayat and Savitribai Phule Pune University, Pune. During this event, students planted various saplings, including roses, neem, amla, Tulsi, etc. within the premises of the primary school and the gram panchayat of Markal Village. The villagers actively participated, demonstrating their commitment to environmental protection and helping to raise awareness about the significance of tree plantations.

### Visit to Aloe Vera Farm at Markal

5/01/2019

During the NSS special camp, NSS volunteers of MCPL visited aloe vera farms in Markal village. There, they gained valuable information about the farming techniques of aloe vera and learned how to extract its juice. This goodwill visit allowed students to connect with the farmers of Markal village, fostering an awareness of their responsibilities towards the agricultural community. Additionally, they learned about the medicinal properties of aloe vera and explored ways in which these properties could help farmers increase their income through the medicinal uses of aloe vera.

### Clean India Activity at Markal Village

NSS volunteers from MCPL actively participated in a cleaning activity at Markal village on 5/01/2019 under the Swachh Survekshan initiative organized by the Pimpri Chinchwad Municipal Corporation. Markal village is also designated as a special campsite for NSS volunteers. During this event, the students engaged in activities to raise awareness about cleanliness among the villagers by participating in cleaning drives. They also educated the residents on the importance of waste segregation, explaining the various color codes used in waste management. For instance, they informed, that green bins are designated for biodegradable waste. Through these efforts, the students aimed to promote better waste management practices and a cleaner environment in the village.

### Guinness Book World Record of Neem samplings Distribution Activity

On Sunday, **June 23, 2019**, National Service Scheme (NSS) volunteers from MCPL took part in a remarkable event organized by Savitribai Phule Pune University (SPPU) in Pune. The event aimed to set a Guinness World Record by distributing 16,631 neem saplings to NSS volunteers from over 350 colleges. These saplings are intended to be planted along the Pune-Pandharpur pilgrimage route, which is traditionally traversed by the Warkari people during Ashadhi Wari, a significant cultural event in Maharashtra. This record-setting event also marked the launch of SPPU's 'Green Wari' initiative, designed to raise ecological awareness and promote the conservation of water resources and the regeneration of tree cover. The 'Green Wari' initiative is part of a broader, socially relevant project named 'Nirmal (Clean) Wari, Harit (Green) Wari, Swastha (Healthy) Wari.' This project aims to ensure a cleaner, greener, and healthier pilgrimage experience. A group of 30 students from MCPL participated in this impactful activity, contributing to the ecological and cultural heritage of Maharashtra.

### “Say No to Plastic”- Plastic waste collection and Awareness Rally

MCPL, in collaboration with the Pimpri Chinchwad Municipal Corporation, organized an awareness program titled 'Say No to Plastic' on 30/09/2019. The program aimed to educate the public about the detrimental effects of plastic usage and encourage the reduction of plastic bags, bottles, and other items. Students actively engaged with nearby societies to spread awareness and explain the harmful impacts of plastic on the environment through awareness rallies.

Additionally, the volunteers took practical steps by collecting plastic waste from the college campus and surrounding areas. A total of 20 students participated in this activity, demonstrating their dedication to environmental conservation. The efforts of the students were highly appreciated by Principal Dr. S. N. Dhole, who commended their commitment to creating a cleaner, plastic-free community.

### Clean India Activity

PES MCPL is always making efforts to encourage students to sensitize social issues and take a positive step ahead to minimize those issues at small levels. On 24/09/2018 the students conducted a cleanliness campaign in the nearby area of the college campus and also made awareness of the cleanliness of public places. 24 Sept is considered as NSS day, every year NSS volunteers do some social outreach activity for the wellbeing of the society. This year students made awareness among society for cleanliness and how it will prevent the spread of communicable diseases. Activity has been done in association with the Pimpri Chinchwad municipal corporation. And SPPU. Principal Dr. Dhole sir appreciated the efforts taken by students. 15 volunteers have participated in the campaign.

### Fire Free Diwali- Awareness program

PES MCPL, in collaboration with Pritam Medical Foundation and Research Centre, Pune, and the Lions Club, Pune, organized an awareness program titled 'Fire Free Diwali' on 25/10/2018. During the event, members of the Lions Club discussed the harmful effects of firecrackers, highlighting their contribution to noise and air pollution. They also presented alternative ways to celebrate Diwali. Students, informed and inspired by the session, performed street plays in the vicinity of the college to spread the message of a fire-free Diwali. Principal Dr. S. N. Dhole provided valuable guidance for the successful execution of the session, which saw the participation of 30 individuals.
