ENTREPRENEURSHIP DEVELOPMENT CELL

Formation of entrepreneurship development Cell at PES Modern College of Pharmacy (for Ladies), Moshi, Pune was established with the aim to foster the culture of Entrepreneurship in the students of the institution. Entrepreneurship Development Cell bridges the gap between ideas to the market product and has taken a greater responsibility to generate the entrepreneurship skills among the students and to help them to achieve their goals to become a versatile entrepreneur.

Functions of Entrepreneurship Development Cell

- 1) To organize Entrepreneurship Awareness Camps, Guest lectures and Entrepreneurship Development Programmes in the region for the benefit of budding entrepreneurs.
- 2) Educate the students through the process of establishing a business

Roles and Responsibilities of Entrepreneur Cell officer

- 1) To organize the ED Cell activities like Skill development programmes, guest lectures, different visits.
- 2) To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes.
- 3) To introduce the concept of entrepreneurship in curricula at diploma level.
- 4) To support students for solving their problems to become entrepreneur.
- 5) To promote employment opportunities.

Summary Report on Generic Aadhaar Megaevent

On

“Entrepreneurship”

Resource Person: Mr. Arjun Deshpande

Organized by: Generic Aadhaar

Conducted on: 25/09/2022

The entrepreneurship development programme (EDP) was organized by Mr. Arjun Deshpande, Founder and CEO of Generic Adhar to promote entrepreneurship in Pharmacy students on 25th Sept 2022 at 10am to 2.00 pm for D. Pharmacy students at Sr. No. 342, Suryadatta Group of Institutes, Bavdhan, Pune 411021. All the students of D.Pharmacy were taken in Travel to the destination.

First inauguration of programme was conducted followed by speech of Mr. Arjun Deshpande

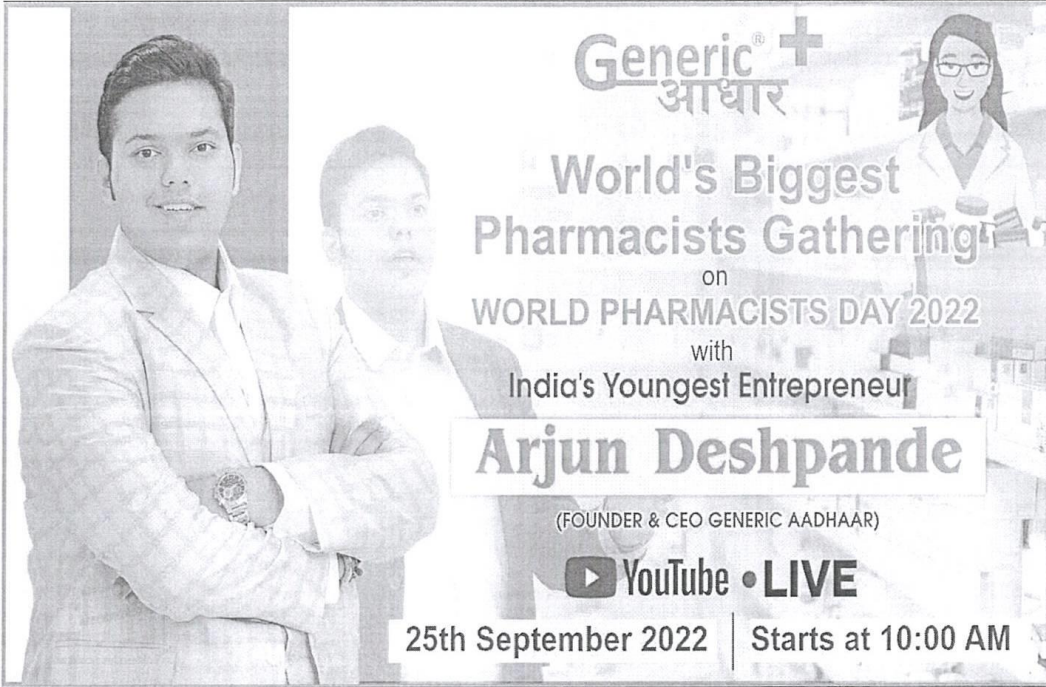

As Mr. Arjun Deshpande believes that if given a proper direction our pharmacists can change the healthcare sector, through his venture Generic Aadhaar is not only creating jobs for them but also fuelling the growth of micro-entrepreneurs. Indeed he is empowering pharmacist for the upliftment of pharma world.

Technology in the pharma sector has made pharmacy easier and more accessible for everyone. It has seen a rapid rise in the past three years as demand and needs increase, rapid digitisation and advanced research in the field have opened doors for many ways of treatment for human beings shares **Arjun Deshpande**. He discussed about that Generic Aadhaar has brought a new ecosystem to the old-decade pharma world. It recognized the root cause in the traditional pharma industry and understood that it was the necessity of the hour to bring about revolution. It provides the backbone to the stand-alone pharmacy with a brand name, IT infrastructure, own software, and apps for retailers.

Question answer session was conducted after the speech of Mr. Arjun Deshpande. All students actively participated in the question answer session and was happy to share their thoughts with them. Finally vote of thanks was given by the organizing team.
