## HOSPITAL VISIT REPORT

A visit to Adishakti Hospital was arranged for 1<sup>st</sup> and 2<sup>nd</sup> Year students of D. Pharma of PES Modern College of Pharmacy (For Ladies) on 29<sup>th</sup> Dec 2021.

Adishakti Hospital is a Multi Speciality Hospital in Moshi, Pune. Some of the services provided by the Hospital are: Pap Smear, Infertility Evaluation / Treatment, Caesarean Section (C Section), Normal Vaginal Delivery (NVD) and Vaccination/ Immunization etc. This hospital has bed capacity of 5. There are following departments exist in the hospital:

- Dept of Obstetrics & Gynaecology
- Dept of Laparoscopy
- Dept of Paediatrics
- Dept of Gynaec-Oncology
- Dept of General Medicine
- Dept of General Surgery
- Dept of Pathology

A batch of 68 students along with 5 faculty members had visited the hospital. The visit started from our college at 12:30 pm and we reached the hospital around 1:00 pm. At the reception we were welcomed by the team members of the hospital. We visited different departments of the hospital. During the visit, detailed explanation regarding the departments was given to us. We got the chance to understand how a hospital, drug distribution system, manufacturing unit and other services work. All the students were making the notes for the available and unavailable services to get a better understanding of the hospital and its working.

Some of the findings related to the services availability in the hospital are below:

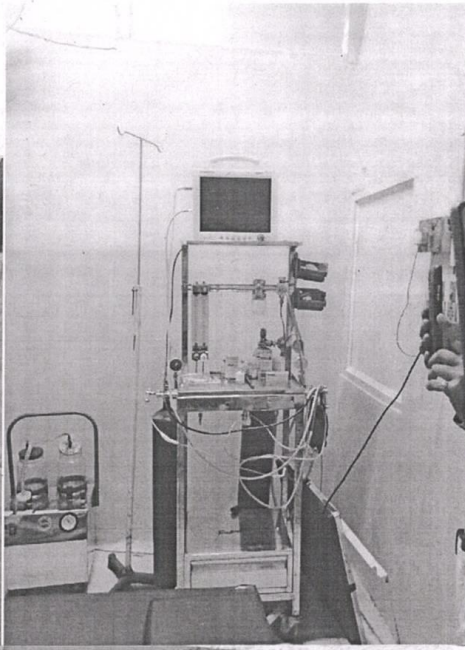

- Whether the drug distribution system exist – Yes
- Purchase system – Decentralized
- Manufacturing unit – Sterile
- Training program facility – No
- Central sterile rooms exist - Yes
- Central service system exists – Yes
- Pharmacy & PTC exist – No
- Hospital formulary exist – No
- DIS department exist – No
- Blood bank service exist – Yes
- Counselling and communication department exist –
- Guest lecture facility available – Yes
- Catering services exist – No
- Use of computer - Yes

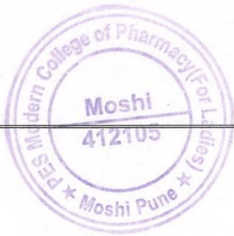

Overall, it was a very informative and enjoyable visit for us. We came to know the roles of hospitals and pharmacies in the overall health management system. We left the hospital with immense of information while thinking of visiting few more hospitals in future to enhance our knowledge.
