

Visits

OBJECTIVES OF INDUSTRIAL AND HOSPITAL VISIT

- Pharmaceutical industry is a most diverse, R&D oriented, competitive and knowledge sensitive industry.
- Industrial visits help learners gain hands-on experience of how industry operations are executed.
- Industry visits bridge the gap between theoretical training and practical learning in a real life environment.
- Industry visits provide opportunity for active/interactive learning experiences in-class as well outside the classroom environment.
- Industry visits help to enhance interpersonal skills and communication techniques.
- Students become more aware of industry practices and regulations during industry visits.
- With visits, students are able to better identify their prospective areas of work in the overall organizational function.
- Visits broaden the outlook of students with exposure to different workforces from different organizations
