## **Objectives:**

An Employability Skill training (Pre-Placement training) for students of all pharmacy courses is designed to prepare them for job opportunities in the pharmaceutical industry, hospitals, retail pharmacies, and other healthcare sectors. The main objectives of such a workshop include:

- ❖ Application & Resume Preparation.
- ❖ Group discussion and Interview Preparation
- ❖ Industry Awareness & Career Guidance
- ❖ Personality, Communication and Soft Skill Development
- ❖ Enhance Employability Skills.
- ❖ Mock interviews
- ❖ Entrepreneurship & Business Skills
- ❖ Job Placement Assistance

## **Session Summary:**

PES Modern College of Pharmacy for Ladies, Moshi, arranged a two-day Employability Skill training programme in coordination with Ishita's consultancy services for D. Pharma, B. Pharm, and M. Pharm final year students on 13<sup>th</sup> and 17<sup>th</sup> March. 2025. The trainer, Mr. Devesh Vaidya, was introduced by Ms. Pratibha Sonawane and felicitated by Dr. Rahul Shivarkar (TPO)

On the first day, Mr. Devesh Vaidya guided students in creating professional resumes and job applications. He explained to students the difference between Biodata, resume, CV, highlighted key skills and experiences relevant to the pharmacy field, and how to create Online profiles on LinkedIn and their updating. He also trained students to enhance time management, leadership, decision-making skills, build a positive attitude and adaptability for a dynamic work environment, improve communication skills, and face group discussions during interview sessions. He has conducted different activities to understand the situations practically.

On the second day, he conducted mock interviews for each student to develop their confidence. He discussed the Do's and Don'ts and practiced the Group discussion, provided guidance on applying for jobs and preparing for aptitude tests, familiarized students with workplace culture, ethics, and professional behavior, and highlighted key qualities employers look for in pharmacy graduates.

A question-and-Answer session was conducted by the trainer for students to solve the queries. All the students participated actively in the training session and felt motivated.
